DEVELOPMENT SECRETARIAT
29 FEB. 1932

Dear Sir,

There has been of late a number of complaints against the insanitary condition of the land lying to the east of the Basavangudi East Road and to the south of the Lalbagh-Basavangudi Gate. Several proposals for using the area as building sites have been made by the Municipality and I myself proposed the land to be used for the location of a Fruit Nursery. And Government objecting to the location of private buildings on that site, asked for it to be acquired for the proposed nursery. It has however since been elsewhere located on a smaller scale than previously intended, but the nuisance of the insanitary condition of the grounds still exists and a petition was recently submitted by the inhabitants of Basavangudi to the Municipal Commissioner. It has been agreed to by the Improvement Committee that the land should be handed over to the Lalbagh or acquired so far it is in private hands and the whole thing treated as part of the surroundings of the Lalbagh Tank. I therefore request you to obtain sanction of Government for this proposal and direct the Municipality to work out the necessary estimates and give acquisition statements which will be submitted for Government sanction thereafter. If in the meanwhile Government approves of the proposal, I shall see the matter is pushed farward.

Yours sincerely,

G. H. Krumbiegel

To

The Municipal Commissioner,

Bangalore City.

Sir,

We, the undersigned signatories belonging to several communities beg to approach you with the following representation and pray that it will be considered favourably:-

Between the East Raod, Basavangudi and the Lalbagh Tank, there is a strip of vacant land which is the foreshore of the Tank. We hear that the Municipality has received a request from the ADIDRAVIDAS for the allotment of the said foreshore for their habitation, and accordingly the matter issaid to be under the consideration of the Municipality. While far from minimising the laudable object underlying the intentions of the municipality to aeliorate the condition of the ADIDRAVIDAS by giving them facilities for constructing their houses, we venture to submit that the locality selected to colonise them is the least suited for the purpose. In the first place, it being a hotbed of mosquitos and consequently MALARIAL, human habitation therein is not advisable, and we feel sure that our municipality which is so very solicitous for the welfare of the people will not err in pitching upon an unhealthy place for housing the poor and depressed classes. Secondly, being so close to Lalbagh, it appears to be part and parcel of the Lalbagh itself; and putting up of huts etc. therein, will disfigure the Lalbagh vicinity, and what is more, renders the pure atmosphere of the famous Botanical Garden quite unhealthy. It will not be an exaggeration to say that respectable people who may be taking walks or drives on the Lalbagh Tankbund may have to witness the nuisance committed in the vicinity. Again Lalbagh tank-bund with its marble seats and the broad expanse of water in front presents such a lovely and picturesque appearance that to walk along the bund or to sit on the marble benches is so very pleasant, and the sprinkling of a few un-

-sightly huts, with smoke and smell, dust and din, will only mar the beauty of the place. It is also understood that the Gardens Department has a scheme on hand to acquire the land in question for the Lalbagh itself for the formation of a fruit nursery and that this scheme is held in abeyance by Government on account of the present financial stringency.. Under these circumstances viz:-

1) Inadvisability of habitation in the foreshore of the Tank

2) Contaminating the Lalbagh vicinity

3) Spoiling the beauty of the Lalbagh promenade

4) Prevention of the scheme of the Gardens' Department to expand and improve the Lalbagh, a scheme now held in abeyance;

we respectfully request that the proposed ADIDRAVIDA colony, to be located in the foreshore of the Lalbagh tank opposite to the East Road, may be kindly dropped and that they may be given sites in some other suitable locality instead of locating them close to the tank and save them from the ravages of MALARIA.

We beg to remain,
Sir,
Your most obedient servants

Dear Mr.Krishna Rao,

In continuation of my D.O.letter No.19 dated 26th September 1933 I write to inform you that the Dewan has ordered that the scheme of acquiring the lands on the eastern side of the East Road of -- Basavangudi between the road to Lal-Bagh from Basavangudi ard -- Kanakampalyam road should be pushed through quickly. He desires that the lands between the present road and the proposed road to Lal-Bagh from the new circle you have formed should be acquired immediately.

According to the plan prepared by the Municipal Engineer, forwarded with your D.O.letter No.59/33-34 dated 10th August 1933, the survey numbers 26/1, 26/3 and 26/4 covering the area shown should be acquired in the next year. Sir,

have the honour to state that the Municipal Commissioner, Bangalore city has forwarded declaration statement in respect of the above lands and the cost of the acquisition of the properties excluding the Statutory Allowances of 15 Per Cent as estimated by the Municipal Engineer amounts to Rs 11,325/- which should be borne by Government. He urges me to take early sanction of Government to the acquisition and add the land to Lalbagh grounds, as otherwise the owners of the above lands will be inclined to parcel them out into building sites and thus complications are sure to arise. He says that some of them are already requesting permission to put up farm-houses which they are sure to convert into dwelling houses in course of time .

2. Under these circumstances, I request you to kindly obtain early orders of Government in the matter and issue early instructions to the Deputy Commissioner, Bangalore, to acquire the lands and hand them over to this Department immediately. I have provided a sum of Rs 11,000/- in the Draft Budget submitted to Government in my letter No.2232 dated 30th April 1935 for this purpose which may kindly be sanctioned.

3. The entire file regarding the above sent by the Municipal Commissioner is herewith submitted for final orders of Government in the matter.

Sir,

With reference to Government Notification No. E.778-G.G 41-31-14 dated 7th September 1935, requiring the Special Land Acquisition Officer to hear objections, if any, to the acquisit of properties for extending the Lal-bagh, I have the honour to state that, in response to the preliminary notification, only three objection-petitions were received and they relate chiefly to several items, such as, plants, trees, etc, omitted from the above notification. These alleged omissions will be carefull examined by the Land Acquisition Officer at the time of passing award. As regards disputed measurements and owner/ship allude to in the objection-petitions, these also will be enquired int by the Acquisition Officer before the award is passed by him i each case. No objections have been received to the acquisitio of the above properties generally.

It was at first proposed to acquire all the lands on the foreshore of the Lal-bagh tank. The present proposal is to restrict the acquisition to Survey No. 26/1 and portion of Surv No. 26/3 as shown in the enclosed plan. Accordingly, final declaration statements in English and Kannada(in duplicate) have been modified, which comprise only two private propertie which are considered enough, for the present, for extension of Lal-bagh premises.

The cost of the acquisition will be only Rs 4,985-2-0 which

which has to be met from the State Funds. I request that early sanction of Government may kindly be obtained to the acquisition of the properties mentioned in the final Declaration statement.

I have the honour to be,

Sir,

Your most obedient Servant,

Municipal Commissioner.

Subject:-
Laying out the newly acquired land on the Western side of Lalbagh.

Sir,

Flag 7.

With further reference to your letter No. E 13/G.G.41-31-7 dated 2nd July 1935 enquiring how the question of acquiring the land between East Road , Basavangudi and the Western boundary of the Lalbagh stands and requesting me to expedite my proposals in the matter, I have the honor to state that the land between - East Road, Basavangudi and the western boundary of Lalbagh has been acquired by the Municipality and a new road formed throughout. The old compound wall on this side was dismantled and rebuilt nearer to the new road, shifting the western gate to the junction of the new road with North Basavangudi Road. The newly acquired portion, about 12 acres in extent, has to be laid out to keep in harmony with the surrounding grounds. A sum of Rs 5,000/- as per estimate enclosed - herein is therefore necessary to effect improvements on this side. I therefore request that you would be good enough to obtain sanction of Government for the estimate and instructions to the Comptroller to the Government of Mysore be kindly issued to provide the sum of Rs 5,000/- in the Budget of this Department for 1936-37 so that the work may be taken on hand early next official year.

I have the honour to be
Sir
Your most obedient servant,
M. K. Sitaramchetty
